

Kapili Solar Roofing & Painting

Building Peace of Mind, One Roof at a Time!

VISIT THE KAPILI SOLAR ROOFING TEAM at the BIA's BIG Home and Remodeling Show for a free, personalized consultation on your renovation options. Discover Kapili's full range of services, including roofing, painting, solar installation, roof coating and maintenance, and gutter installation. Experience top-quality roofing solutions tailored to your needs, from minor repairs to complete replacements.

Kickstart your project with a complimentary estimate—book it at the Show to discuss your vision, ask questions, and find solutions. The experienced professionals of Kapili will be at the booth to show you samples of their materials, provide guidance, and showcase their latest projects. They can't wait to meet you and help bring your project to life!
