Top Three Trends:

1. Modern, minimalistic lighting creates a soft ambience. Visit Dial Electric to explore sleek, sophisticated styles, including the Kichler True ceiling fan.

2. Midcentury pieces remain popular with local homeowners. The Kichler Armstrong chandelier is a bold, customizable option for this aesthetic.

3. Smart outdoor lighting is trending. The WAC Lighting Colorscaping System, with tunable white and full-color illumination, elevates exterior spaces.

Top Three Products:

1. The champagne-gold Kichler Jestin chandelier, a geometric marvel inspired by the Bauhaus design movement, emits bright ambient lighting.

2. A customer favorite, the Modern Forms Wynd ceiling fan is a weather-resistant option with smart features, ideal for indoor-outdoor use.

3. Make a statement with the WAC Divergence chandelier. This sculptural pendant features a beautifully woven pattern for a unique design focal point.
