ALL THINGS NEW HAWAII (ATN) SEAMLESSLY BLENDS FAITH, FAMILY AND LUXURY when it comes to your home. As a devoted design-build firm, ATN prioritizes excellence, treating clients like cherished *ohana*. ATN transforms dreams into reality, crafting bespoke homes that reflect clients' aspirations and ATN's commitment to quality. Check out the ATN website to learn more.

Top Three Trends:

1. Indoor-outdoor living is popular with ATN's clients. Homeowners are increasingly integrating indoor and outdoor spaces to capitalize on Hawaii's climate.

2. There's a growing focus on sustainability in home design. ATN highlights sustainability with elements like solar, and locally sourced materials.

3. Homeowners are emphasizing functionality in living spaces. ATN can work with you on a build or renovation customized for your needs.

Top Three Design Tips:

1. Decluttering creates a more intentional, simplified and meaningful home. Letting go of excess can reduce stress and maximize space.
2. Feature walls provide opportunities for expression, personality and play. Transform a room by adding this decorative focal point.
3. Statement lighting is more than a functional necessity. It combines artistry and illumination to set the mood of a space.
